From the lazy heat of Miami to the steamy Colombian jungles, Mack Bolan is on the trail of a missing American journalist. The woman was close to exposing the key players in a dangerous drug cartel, and Bolan figures they snatched her to protect their illicit empire. Each step pulls him further into an unforgiving world of guns and violence until he himself is captured.

The vicious drug czar responsible for Bolan's plight reveals a carefully planned conspiracy that could topple a government—and an entire nation. Tortured and beaten, Bolan is only seconds away from escape—or death. His only advantage: the enemy isn't banking on the unrelenting force known as The Executioner.
